

Remarks

This is in response to the Advisory Action mailed October 21, 2005, which indicated that the Applicant's Response filed October 3, 2005 overcame the final rejection of claims 31-33, 35 and 42-44. The Applicant gratefully acknowledges allowance of these claims.

The Advisory Action further indicated that the newly added claims 45-51 raised new issues requiring further consideration and search. While respectfully traversing the same, the Applicant has elected to cancel these claims without prejudice to place the present case in immediate condition for allowance. The Applicant reserves the right to continue prosecution of the subject matter of the cancelled claims in a continuation application.

The Applicant accordingly requests reconsideration and allowance of claims 31-33, 35 and 42-44. This Response is intended to be a complete response to the final Office Action mailed October 3, 2005.

Should any questions arise concerning this response, the Examiner is invited to contact the below signed Attorney.

Respectfully submitted,
